

Sharing Your Story

LEARN is (re)discovering information.

Within the story of God, each of us has stories of how, where and when we have encountered the living God and been shaped by His presence. Our faith story is not only ours to remember and celebrate but is also meant to be shared with others, so they might also know and celebrate who God is.

Read these passages and discuss them with each other:

Mark 5:1-20

Psalm 105:1-7

Acts 26:1-23

Luke 12:8-12

Romans 1:8-17

Pick a passage, or more than one, and answer these questions with each other:

1. What does this passage say? (Read it twice.)
2. What is God teaching me?
3. What will I do or change based on what I've read?

DO is acting on what we learned.

Share with each other your personal faith stories. Your faith story consists of 3 components:

- What your life was like before you accepted Christ (if you can remember). You don't need to list your bad habits, but generally speaking, what was your life like?
- How did you come to trust Jesus? Where were you? What was it that convinced you to make that step?
- How has your life changed with Jesus in it?

COACH is reviewing what we did and evaluating how it was done.

What did you like about this exercise?

What new things did you learn about each other?

How does taking the time to think about and share your story impact you?
