

# Student Packet

Hey students,

We are so excited to celebrate Easter with you, even if it is from a distance. This is a **BIG DEAL!** Paul reminds us that all of our faith hinges on the fact that Jesus lived a perfect life, died and rose again in **1 Corinthians 15** (check it out). But because we know that Christ rose from the dead, we have hope in this life and the next!

We realize that in the last few days and weeks, some of you are left with feelings of hopelessness because of what the Coronavirus has taken away from you. Whether that be your senior year, your performances, your games, a dance, time with your friends... This is hard, and we understand that. But be encouraged today.

Let the words of the Apostle John wash over you and remind you that God's got this. **"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."** (John 16:33)

So as we are in Quarantine, and we do feel loss, we have the opportunity to celebrate, because Christ is Lord. He overcame death. He looked at us and said we are Worth It! So today, take heart. Jesus has overcome the world. Let's celebrate his victory over death and our new life in Christ! We've included a few things to help you celebrate.

# Teachings

Join us for our next teaching series titled, **atypica, A 4-WEEK SERIES ON FAMILY**. You've been stuck with your family for the last few weeks and might be ready to practice a little social distancing with them at times ; )

What does it look like to do life with your family in quarantine and what does scripture say about it? In this 4-week series, we'll look at four imperfect and "atypical" families from Scripture. We'll discover that not-so-typical families are often used by God because not-so-typical families pray for each other, have tough conversations, and forgive each other.

## Quarantine Challenge
